Station Management

General Manager

Robert Wheeler | robert.wheeler@tasinc.aero

Mr. Wheeler joined TAS in July 2017 as General Manager overseeing the operations of the three LAX Terminals. Mr. Wheeler has over 30 years experience in a wide variety of manufacturing, global supply chain and service operations across the USA and Mexico. He has extensive knowledge in warehousing, customs, transportation and customer relations. Mr. Wheeler integrates Lean Management and Six Sigma principles to optimize operations.

Terminal Manager - Lufthansa Handling

Jeffrey Robinson | jeffrey.robinson@tasinc.aero

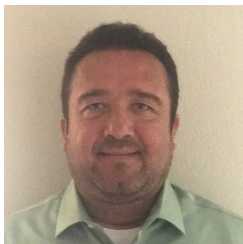

Mr. Robinson joined TAS in July 2017 as Terminal Manager over Lufthansa Cargo operation in LAX. Mr. Robinson has over 20 years experience in management of operations and distribution with Six Sigma Green Belt concepts. Mr. Robinson also brings his experience in Airforce supply storage systems, and expertise as a Senior Industrial Engineer for highway distribution.

Terminal Manager - Korean Handling

Jose Roberto "Bobby" Constantino | jose.constatino@tasinc.aero

Mr. Constantino joined TAS in June of 2014. He currently is terminal manager over Korean Air Cargo operation in LAX. He has served as Operations Manager for major carriers and has over 25 years experience in passenger and cargo operations.

Terminal Manager - NCA Handling

Julio Galvez | julio.galvez@tasinc.aero

Mr. Galvez joined TAS in November of 2014. Julio Galvez has been with Total Airport Services for three years and is currently the Terminal Manager at LAX for the NCA Cargo Building. With over 17 years of experience in the industry, he has successfully managed several large operations and account start-ups.
